

New Minister Selection Update

8/18/19

Our Center Profile has been posted on the CSL website for SOM Ministers. The deadline for applications is September 15, 2019.

Once potential candidates are identified, they will be vetted and 2 - 3 will be invited for a candidate weekend, to meet and audition for our Center.

Our community plays an important role in the selection process. We will have the opportunity to meet each candidate at an informal gathering on Saturday evening for that weekend.

The following morning, for our Sunday Celebration of Life, they will deliver the Sunday message. Our community who are present for each Sunday will be provided with an evaluation to complete for that Sunday.

Following service we will have lunch, either potluck or bag lunch, and have a Q&A with the minister candidate.

Following lunch the candidate will present a workshop or class. Everyone is invited to attend. There will also be an evaluation for the workshop.

Once all candidates have auditioned, the Selection Committee will review the evaluations from our community, and all other aspects of the interview process, and make their recommendation to the Board of Trustees.

The New Minister Selection Committee and Board of Trustees then choose the candidate, and our membership votes to approve the selection. The date for the vote, on a Sunday morning, will be announced a minimum of 45 days prior.

If you are not yet a member and want to be able to vote, be sure to complete the membership process before our final vote.
