The 40-day Prosperity Plan Journal

This day _____, I cease believing in visible money as my supply and my support, and I view my current world of effect, as it truly is simply an out picturing of my former beliefs. I believed in the power of money, therefore I surrendered my God-given power and authority to an objectified belief. I believed in the possibility of lack, thus causing a separation in consciousness from the source of my supply. I believed in mortal man and carnal conditions, and through this faith gave man and conditions power over me. I believed in the mortal illusion created by the collective consciousness of error thoughts, and in doing so, I have limited the Unlimited. No More! This day I renounce my so-called humanhood and claim my divine inheritance as a Being of God. This day I acknowledge God as my supply and my support.

1. God is lavish, unfailing Abundance, the rich omnipresent substance of the Universe. This all-providing Source of infinite prosperity is individualized as me- the Reality of me.
2. I lift up my mind and heart to be aware; to understand and to know that the Divine Presence I AM is the Source and Substance of all my good..
3. I am conscious of the Inner Presence as my Lavish Abundance. I am conscious of the constant activity of this Mind of Infinity Prosperity. Therefore, my consciousness is filled with the Light of Truth.
4. Through my consciousness of my God-Self, the Christ within, as my Source, I draw into my mind and feeling nature the very Substance of Spirit. This substance is my supply thus my consciousness of the Presence of God within me is my supply.
5. Money is not my supply. No person, place or condition is my supply. My awareness, understanding and knowledge of the all-providing activity of the Divine Mind within me is my supply. My consciousness of this Truth is unlimited. Therefore my supply is unlimited.
6. My inner supply instantly and constantly takes on form and experience according to my needs and desires and as the Principle of Supply In action it is impossible for me to have any unfulfilled needs or desires.
7. The Divine Consciousness that I am is forever expressing its true nature of Abundance. This is its responsibility, not mine. My only responsibility is to be aware of this Truth. Therefore, I am totally confident in letting go and letting God appear as the abundant all sufficiency in my life and affairs.
8. My consciousness of the Spirit within me as my unlimited Source is the Divine Power to restore the years the locusts have eaten, to make all things new, to lift me up to the High Road of abundant prosperity. This awareness, understanding and knowledge of Spirit appear as every visible form and experience that I could possibly desire.
9. When I am aware of the God Self within me as my total fulfillment, I am totally fulfilled. I am now aware of this Truth. I have found the secret of life, and I relax in the knowledge that the Activity of Divine Abundance is eternally operating in my life. I simple have to be aware of the flow, the radiation, of that Creative Energy, which is continuously, easily and effortlessly pouring forth from my Divine Consciousness, I am now aware. I am in the flow.
10. I keep my mind and thoughts off this world and I place my entire focus on God within as the only Cause of my prosperity. I acknowledge the Inner Presence as the only activity in my financial affairs, as the substance of all things visible. I place my faith in the Principle of Abundance in action within me.
